

WHAT YOUR COLLEAGUES HAD TO SAY ABOUT MROO RETIREMENT PLANNING SEMINARS

Our organization really enjoyed the MROO Retirement Planning Seminar. Phil Hollins did a remarkable job of facilitating, and his knowledge and humour brought a real human side to the day. Two other features that participants really enjoyed were the down-to-earth presentation by OMERS staff and the openness of the Retiree Panel. They answered our questions very honestly which I think will help people in their decisions about retirement. The whole day generated many questions, and that is exactly what we need the few years before retirement!

Patti McLeod, Payroll & Benefits Administrator
United Counties of Stormont, Dundas & Glengarry

The three MROO seminars conducted by Phil Hollins were all well attended here at Centre Wellington. His engaging style and content certainly gave the attendees (who were all over 50 and/or within 5 years of retirement) something to think about, as did the speakers which included a panel of retired OMERS members. I can tell anyone that a fair number of the attendees took all of the information home and used it to help make decisions that resulted in happy and successful retirements.

Rick Hulley, Manager of Human Resources
Township of Centre Wellington

The Town of Ajax used the MROO model and Phil Hollins, who delivered a concise informative session. All the participants left the session with a better feeling for their upcoming retirement and were given many planning tools to aid them in their journey.

John Fleck, Director of Human Resources (retired)
Town of Ajax

The MROO retirement planning workshop was very well received by the staff and the spouses who attended. Some said it was the best course they attended last year! As an employer, I believe it is important to ensure staff have the information they need to make informed decisions about their future and the MROO seminar hit the mark. Staff felt safe and comfortable asking questions and sharing information.

Beverly Hendry, CAO
Township of Scugog
